As the modules are under construction, changes can still take place.

Assessments

Details for the end-of-semester assessments and re-assessments

Any change of date or modality will be communicated directly by the module teaching team to the students concerned.

The re-assessments of module M01 and M04 are only available for students who provide a justified and valid absence for the date of the assessment. Without justification, the student will have to follow the whole module again (the module will be assigned when next available).

End-of-semester assessments : 13.01.2024

	10h30 - 12h30	14h00 - 15h00
13.01.2024	M01 Econometrics	M04 Organisational Economics and Management
